INTERESTS

Ashish Kumar

I'm a proactive learner and a team player, enthusiastic about coding and frontend development. I have decent experience with frontend technologies like HTML, CSS, JS, React JS and multiple UI libraries including Tailwind UI, Ant design UI library. Currently, I am working with React JS and will be more than happy to learn more skills.

EDUCATION

B.Tech (Computer Science and Engineering)

ABES Engineering College, Ghaziabad

08/2018 - 07/2022

Percentage- 81.08

Senior Secondary Examination(12th)

Saraswati Bal Mandir Senior Secondary School, Hapur

04/2015 - 03/2016

Percentage- 86.4

Higher Secondary Examination(10th)

Saraswati Bal Mandir Senior Secondary School, Hapur

04/2013 - 03/2014

CGPA: 9.6

INTERNSHIP

Frontend Web Developer/ Intern

DevsLane- Escecion Technologies Pvt. Ltd

06/2019 - 06/2021

Ghaziabad, India

Tasks

- Frontend development of many industry level projects.
- Specialisation in ReactJS.
- Other skills: Material-UI, Ant Design, Basic Usage of Postman.

PROJECTS

Internship Project - A (05/2021 - 06/2021)

- It is the ERP application for a company to manage the different tasks of employees and organization.
- This app is built using React JS, Tailwind UI, Redux at Frontend & NodeJS at Backend.
- I worked on the frontend part, where in majorly I prepared the UI as per the mock-ups.
- I created a generic component that could be used to wrap other components & get the desired view with lesser line of codes

Internship Project- B (12/2019 - 06/2021)

- It is a web application which measures and improves the employee adaptability in an organization with the help of their smart assessment. It measures users adaptability different factors and provide users with downloadable AQ report.
- This app is built using React JS, Antd library, Redux at Frontend & NodeJS at Backend.
- I worked on the complex UI of the complete app.
- I created many custom components and fix bugs.

My Portfolio (05/2021 - 06/2021)

- This is my personal portfolio website developed in ReactJS which follows the minimalistic approach and trendy neumorphism design
- Live link- <https://ashishkumar64.github.io/myPortfolio>

ACHIEVEMENTS

- I got the first rank in aptitude test which was conducted by Technovation Club of ABES Engineering College.

- Solved more than 250 coding problems on various platforms and 3 star coder on Codechef (https://www.codechef.com/users/mr_grey_64).

- Team member of Enigma Programming Club (Technical society of college) which conducts several technical events.
